In 2008, the Town of Prescott Valley, in partnership with Yavapai College, broke ground on a new 51,500 square foot building adjacent to the Civic Center. This new asset to the community includes the new Prescott Valley Public Library, classrooms for Northern Arizona University, and an auditorium for the Prescott Valley Town Council Meetings and other events.

The Prescott Valley Public Library Foundation, Inc. was founded in 2003 by the Prescott Valley Public Library Board of Trustees.

With the support of residents and local businesses, the Prescott Valley Public Library Foundation will help to ensure our new public library is filled with all the best furnishings and equipment!

*"Perhaps no place in any community is so totally democratic as the town library. The only entrance requirement is interest."*

*Lady Bird Johnson*

## Support the Library

Why should Prescott Valley residents and businesses support the Prescott Valley Public Library?

The Prescott Valley Public Library is available for all citizens of the Town of Prescott Valley to:

- provide access to the world's wealth of knowledge,
- offer a head start to learning and opportunity,
- solve problems,
- provide an outlet to share thoughts, dreams, discoveries, and investigations with others,
- keep the hunger for discovery alive, and
- stir imaginations and creativity.

Access to knowledge is the road to innovation and new ideas. With the new facility and partnership with Yavapai College, the Town of Prescott Valley will be able to offer even more educational opportunities to its citizens.
